

CHESTNUT HILL
 **FARM
 CAMP**

**2023
 FULL-DAY
 CAMP
 SESSIONS**

**1-week sessions | June 26–August 18
 Monday–Friday, 9AM–3PM | Ages 5–10**

Become a Junior Farmer this summer at historic Chestnut Hill Farm in Southborough, where 170 acres of farm and woodland is the canvas for your adventure! Meet new friends, have fun, and experience life at one of the last working farms in Southborough. The farm features expansive vegetable fields and pasture lands with production animals, such as goats and sheep. Nesting bird preserves and magical woodland trails complete each day's exploration of the natural world. Our program is inspired by this exceptional property and builds on The Trustees' expertise in nature conservation, historic landscapes, regenerative agriculture, and culinary exploration.
