

Ashland Public Library presents:

SEED, Inc.

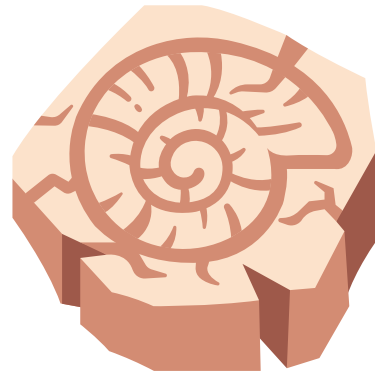

**Science & Engineering Education
Development, Inc.**

"FOSSILS"

**Dig out a fossil, learn how they form, and
examine fossils that are millions of years old.**

**EARLY RELEASE DAY
Wednesday, March 29
2:30 p.m.
for Kind - Grade 5**

**This program is designed to instill a passion
for the STEM fields in young minds with
fun, hands-on activities.**

**Sponsored by the Friends of the Library
and the Ashland Cultural Council**
