Technology, Pages 12-13**

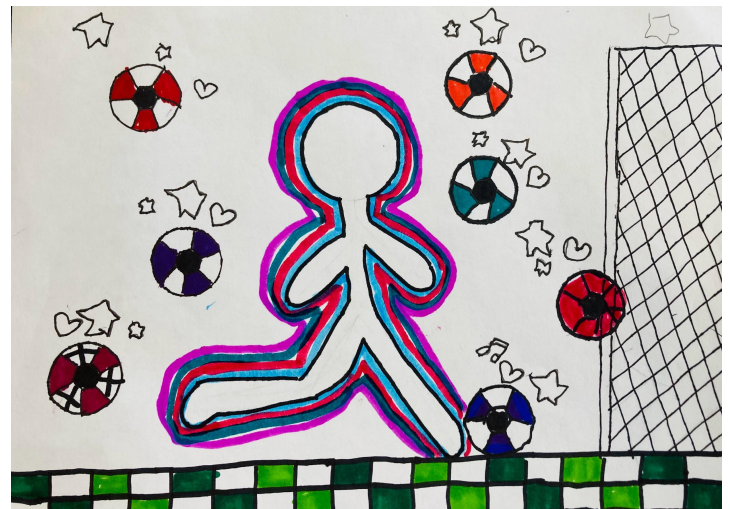

June 2023

Mrs. Glynn

Another year has come to an end. Teachers and students are ready for summer break. Luckily for me, no one seems to get tired of creating art. Here are a few of the year end projects we have been working on.

KEITH HARING INSPIRED ART

5th Grade

Welcome to Wellness with Ms. Plichta

"Health is a state of body, Wellness is a state of being."

Have a fun and safe summer! I will see you next year and good luck in middle school to our 5th graders!

Mrs. Lamphier

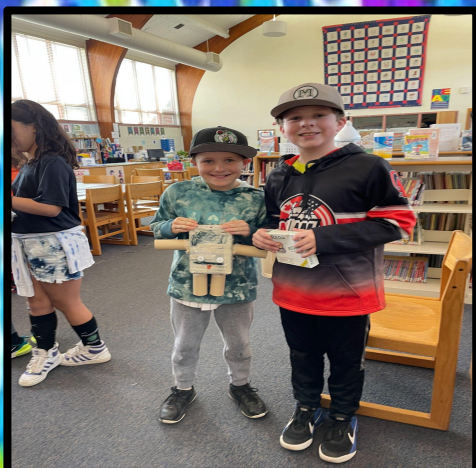

Library Media Teacher, Mindess

Mindess Library Website

You can read on Sora all summer long! Most summer reading books are available. Click here for more information.

[Sora Instructions](#)

Have a great summer! Take time to read each day. I can't wait to be together in our new Media Center in September! Best wishes to our 5th grade students. You will be missed!

Technology News

This is the last time you'll see this panoramic picture of the "old" Mindess Computer Lab.

Get ready for the Mindess Technology Integration Center!

GREEN SCREEN PALOOZA!!!
