MINI GOLF

DESIGN-BUILD-PLAY

WHERE: ASHLAND COMMUNITY CENTER

WHO: K-6 COST: \$125

SESSION 1: 11/4 - 12/16

In this exciting and hands-on program kids will dive into the fun world of mini golf! This unique program is designed to blend creativity, teamwork, and fundamental golf skills into an engaging experience. Children will learn putting technique through fun drills and games working to improve accuracy, control, and mastering the basics. As the program progresses, we will work in teams to design and build new holes every week with fun themes to jump start children's creativity and imagination. Teamwork, creative problem solving, and hands on learning and play all rolled into one. Whether your child is a budding golf pro or just looking for a creative adventure, this program is sure to be a hole in one!
