

# Multi-Sport Tots

Give your little superstar an awesome first step into sports with Multi-SportTots ! This class uses age-appropriate games and activities across multiple sports to explore balance, hand/eye coordination, fitness, sport skills and child development. Each week will focus on one sport with multiple sports being taught throughout the program. Participants should bring a water bottle and wear athletic clothing. Parent participation is required for all 6 weeks of our 2 year old class and for the first 2 weeks of our 3 year old class and then most children will be ready to participate without parent assistance.
