

Ashland Wrestling - Clocker Pride

Please support the Ashland High School Wrestling Team by painting the town **Blue** with your **Clocker A** - cost \$50. Please email lorryflem@gmail.com if you are interested in receiving more information.

Ashland has a competitive and vibrant wrestling program. Our program began as a joint team with Keefe-Tech in 2004, with just a single Ashland member in 2013. In 2016, Ashland High School created its own program and currently our team consists of 31 wrestlers. Our team has had several wrestlers win State Titles and in 2022, the Clockers won their first MA Division 3 State Dual Championship as a team!
