

# MAKING THINGS FLY

Are you a Mindess student that's interested in making things fly? Join Ashland High School's Makerspace club to advance your flight skills with drones and create parachutes, paper airplanes, and more!

## Dates:

February 26,  
March 5, 12, 19  
(Every Wednesday  
for four weeks)

## Timing:

2:50pm - 3:50 pm  
(afterschool)

## Location:

Ashland High  
School

## Transportation:

Buses will pick up students from Mindess after school and drop them off at AHS. A parent/guardian will have to pick them up from AHS.

## Register NOW!

Use the QR code below to sign up. Only 12 seats available!
