

Certification of Outstanding Achievement:

This certification will allow students that have met the initial eligibility for the Koplik Certificate of Mastery through MCAS scores the opportunity to apply for the tuition credit in circumstances where access to traditionally required standardized tests may be limited, restricted or (in some cases) non-existent.

To meet the criteria for outstanding achievement in any of the content areas, a student must have done one (or more) of the following:

- A. maintained a grade of B or better in courses the specified content area in grades 11 and 12; or
- B. served in a mentoring capacity for a minimum of 65 hours per school year in courses the specified content area (through school mentoring program or official recommendation of school personnel) in grade(s) 11 or 12; or
- C. served in a tutoring capacity for a minimum of 65 hours per school year in courses in the specified content area (through school tutoring program or official recommendation of school personnel) in grade(s) 11 or 12
