Minutes

1) Updates:

Assessing Students/ISSPs next month – Individualized Student Success Plans written for students who did not meet expectations on spring MCAS tests.

8th Grade Keefe visit – Students were able to select programs at Keefe Tech that they wanted to learn more about. Students toured the programs on our visit. Applications are being accepted – student interviews are in January.

Term 1 Report Cards – Shared via Iparent

Idecide Surveys – Program that AMS (and over 100 schools) participates in. We work with MGH on this program for students who violate school substance policies. Students/families can choose to complete the program.

Screenings – Nurses are conducting student postural screenings this month

Student Discovery Meetings – Met with students in all grades during Discovery to review expectations

2) Budget Discussion: discussion was around timing and process, schedule, staffing and class sizes.
