Ashland, MA 01721

PROJECT NUMBER: 76525 (Tennis Court Resurfacing)

LOCATION: Ashland Middle School, 87 W Union St. Ashland, MA 01721

OPENING DATE: June 15, 2022

CLOSING DATE: June 29, 2022

POINT OF CONTACT: Jonathan Murray (jmurray@ashland.k12.ma.us)

STATEMENT OF WORK:

Flood the court and patch areas holding water to 1/16" tolerance after draining according to the USTA guidelines.

Run patch mix into any cracking or major pits that have occurred on the courts. (Approximately 300 linear feet)

Repair major crack that runs through the center of court with crack repair to include a 2yr warranty. (Approximately 75 linear feet)

Lightly fill cracks on the second court with patch mix and touch up any white lines needed.

Assure all patches and bird baths are a smooth surface.

Squeegee one coat of sand-filled resurfacer over the entire court.

Squeegee two coats of sand-filled paint (owner's choice of color) over the playing surface.

Squeegee two coats of sand-filled paint (owner's choice of color) outside the playing surface.

Stripe the 2 courts for tennis per the USTA guidelines; producing sharp, white lines.

Paint existing posts and install existing nets.
