RESIDENCY REQUIREMENTS

You must be a resident of Ashland to attend Ashland Public Schools. Temporary residence in the Town of Ashland for the sole purpose of attending the Ashland Public Schools will not be considered residency.

Before a student is registered for Ashland Public Schools and can begin school, their parent or legal guardian must provide proof of primary residence. After a student is registered, parents/guardians must immediately notify the school of a student's change of address and submit proof of residency again.

Because residency can and does change for students and their families during the academic year, Ashland Public Schools may continue to verify residency after the commencement of classes.
